

FRIENDS OF THE COLLEGIO

Serving the Pontificio Collegio Filippino (Rome)

a 501(c)3 Charity organization, tax-deductible in the US

The *Pontificio Collegio Filippino* (Pontifical Filipino College) is the Home in Rome of Filipino Priests. Here they reside and undergo formation, while doing further studies in the best Catholic Universities in Rome — close to the Holy Father physically, spiritually and doctrinally. Upon returning to the Philippines, they serve in the seminaries to train our future Priests, and in other specialized ministries.

Please assist the *Collegio's* operations, programs and upkeep. Help build our Scholarship Fund for board and lodging (\$10,000 a year per Priest), tuition (\$5,000 a year) and other needs.

*Cardinal Luis Antonio Tagle of Manila suggests as monthly love offering, the equivalent of an hour of your salary. This way, without leaving your place, you **VOLUNTEER AN HOUR** to help our student Priests!*

In a special way, we need your help for the renovation of our heavy duty kitchen, which will eventually serve up to 80 persons, plus hundreds of guests at times. Our kitchen also reaches out to our Overseas Filipino Workers who volunteer, undergo culinary training, interact and learn from each other, and are nourished spiritually.
